<p>Washington County Free Library</p>	<p>Jeff Ridgeway Pr01@washcolibrary.org</p> <p>Mary Baykan, Director baykanm@washcolibrary.org</p>	<p>Washington County has several initiatives that we partner with our local school system.</p> <p>We have an overarching partnership document signed by our director Mary Baykan and the WCPS Superintendent Elizabeth Morgan. This is called the (1) CLASS Partnership and is based on the A+ partnership implemented by Howard County several years ago. Included under the partnership are monthly third grade read alouds at two title 1 schools, monthly preschool storytimes at 3 title 1 schools. We are also invited to attend media specialist meetings and trainings that are applicable to our jobs. We also include the schools in our (2) Summer Reading Club program by publicizing the club through the schools and sending finishers' lists to each principal in our county. We are currently partnering with (3) The Barbara Ingram School for the Arts (part of the WCPS) by serving as their library in downtown Hagerstown. (4) Our Battle of the Books program which runs from November through March has a majority of public school teams participating in it. The teachers by and large serve as managers on the Battle of the Books teams. We also partner with (5)the local Judy Centers which are located in two of our elementary schools in Hagerstown. I am going to participate in a school night at (6) Winter St. Elementary this Thursday evening-- something that we do on request from schools on an as needed basis. We have just finished a (7) "Visions of the Universe" grant where schools bused children from several county schools including Title 1 schools to Smithsburg to take part in the program. We also hold a (8) "Teen Idol" competition which the schools allow us to publicize through school visits. The Barbara Ingram School in the past has provided a dance number during the Teen Idol competition</p>

Youth Services Manager serves on the Judy Center Steering Committee.2. We have a new initiative called "Ramp Up Summer Reading". We received an LMB grant to purchase several copies of titles on our Summer Reading lists. The lists were co-created by our librarians and Pittsville school teachers and will be on our website this summer. Kids will be encouraged to participate in Summer Reading and choose titles from the lists.3. The Library co-hosts the finale night in a series called Lightning Bug School. Lightning Bug School is for pre-K special needs kids and their parents. They meet once a week for four weeks to read a book, do an activity aligned with the book and have dinner! The fourth week they have Happy Meals at the library, read a story and then tour the library and get a library card.4. Each spring, the Children's librarians write and perform a skit with the Summer Reading theme in several of our schools, often at an assembly with the entire school.5. Our library, along with the Eastern Shore Regional Library, is hosting an author visit starring Henry Cole. All fourth grade classes have been invited to come to the library for this special presentation.
